How to Form Questions with Question Words

The general structure for questions with question words is:

- Question word + auxiliary verb (if needed) + subject + main verb + additional info?

Examples:

- Who is your favorite singer?
- What do you like to do on weekends?
- Where are you going after school?
- When

does the movie start? - Why are you studying English? - How do you get to school? Note that some questions may not require an auxiliary verb, especially when asking about a subject or object directly. Common Mistakes to Avoid - Incorrect word order: For example, saying "You are where?" instead of "Where are you?" - Using wrong question words: Confusing "what" and "which," or "who" and "whom." - Omitting the question word: Making statements instead of questions. - Incorrect auxiliary verb usage: Forgetting to include "do," "does," or "did" in questions. Practice Tips for Teens - Write down common questions for different situations. - Practice asking questions aloud with friends or family. - Record yourself and evaluate pronunciation and intonation. - Use online quizzes from LearnEnglish Teens to test your knowledge. - Create role-play scenarios to simulate real-life conversations. ---
