benvenuto cellini s perseus and medusa one of renaissance italy s most complex sculptures is the subject of this study which proposes that the statue s androgynous appearance is paradoxical symbolizing the male ruler overcoming a female adversary the perseus legitimizes patriarchal power but the physical similarity between cellini s characters suggests the hero rose through female agency dr corretti argues that although not a surrogate for powerful medici women cellini s medusa may have reminded viewers that cosimo i de medici s power stemmed in part from maternal influence drawing upon a vast body of art and literature

dr corretti concludes that cellini and his contemporaries knew the gorgon as a version of the earth mother whose image is found in art for medici women
