edited and with an introduction by gordon marino basic writings of existentialism unique to the modern library presents the writings of key nineteenth and twentieth century thinkers broadly united by their belief that because life has no inherent meaning humans can discover we must determine meaning for ourselves this anthology brings together into one volume the most influential and commonly taught works of existentialism contributors include simone de beauvoir albert camus fyodor dostoevsky ralph ellison martin heidegger soren kierkegaard friedrich nietzsche jean paul sartre and miguel de unamuno y jugo

one of the foremost resources on existentialism from renowned philosopher poet and nietzsche translator walter kaufmann a must read for philosophers both armchair and professional existentialism from dostoevsky to sartre provides basic writings of dostoevsky kierkegaard nietzsche rilke kafka ortega jaspers heidegger sartre and camus including some not previously translated along with an invaluable introductory essay by walter kaufmann

this first collection of sartre's key philosophical writings provides an indispensable resource for all students and readers of his work which has been extremely influential in philosophy literature and politics

together with the editor's thoughtful introductions the central existential writings of kierkegaard nietzsche heidegger and sartre included in this volume make it the most substantial anthology of existentialism available without shortening any of the selections offered in the first edition the second edition adds valuable context by presenting two additional selections by philosophers who had a profound impact on the development of existentialism hegel and husserl

there are already many excellent books on existentialism some of them deal with particular problem or particular existentialist writers most of those that deal with existentialism as a whole divide their subject matter according to authors presenting chapters on kierkegaard heidegger sartre and the rest thus i think that there is room for the present book which attempts a comprehensive examination and evaluation of existentialism but does so by thematic treatment that is to say each chapter deals with a major theme of existentialist philosophy and these themes are arranged in the order of the existential dialect of course each chapter is illustrated with material from the writings of existentialists from kierkegaard to camus

a collection of essays by jean paul sartre that touch upon the subject of existentialism by looking at aesthetics emotions writing phenomenology and perception the philosophy of existentialism collects representative essays on jean paul sartre's pioneering subject existentialism beginning with a thoughtful introduction by fellow french philosopher jean wahl this work looks at existentialism through several lenses exploring topics such as the emotions imagination nothingness freedom responsibility and the desire to be god by providing exposition on a variety of subjects the philosophy of existentialism is a valuable introduction to sartre's ideas

best known as the author of twenty six novels iris murdoch has also made significant contributions to the fields of ethics and aesthetics collected here for the first time in one volume are her most influential literary and philosophical essays tracing murdoch's journey to a modern platonism this volume includes incisive evaluations of the thought and writings of t s eliot jean paul sartre albert camus simone de beauvoir and elias canetti as well as key texts on the continuing importance of the sublime on the concept of love and the role great literature can play in curing the ills of philosophy existentialists and mystics not only illuminates the mysticism and intellectual underpinnings of murdoch's novels but confirms her major contributions to twentieth century thought

introduction by peter gay translated and edited by walter kaufmann commentary by martin heidegger albert camus and gilles deleuze one

hundred years after his death friedrich nietzsche remains the most influential philosopher of the modern era basic writings of nietzsche gathers the complete texts of five of nietzsche's most important works from his first book to his last the birth of tragedy beyond good and evil on the genealogy of morals the case of wagner and ecce homo edited and translated by the great nietzsche scholar walter kaufmann this volume also features seventy five aphorisms selections from nietzsche's correspondence and variants from drafts for ecce homo it is a definitive guide to the full range of nietzsche's thought includes a modern library reading group guide

piercing to the core of one of the most conspicuous and relevant of postwar philosophies this book illuminates such concepts and concerns as the individual freedom death absurdity and existence fernando molina brings into contemporary perspective the problems broached by kierkegaard and nietzsche and makes immediately accessible the phenomenological methods of edmund husserl and martin heidegger he shows how jean paul sartre by synthesizing the thought of his precursors has created a technical system meaningful to the layman as well as to the professional philosopher publisher

in ethics the essential writings philosopher gordon marino skillfully presents an accessible provocative anthology of both ancient and modern classics on matters moral the philosophers represent 2 500 years of thought from plato kant and nietzsche to alasdar macintyre susan wolf and peter singer and cover a broad range of topics from the timeless questions of justice morality and faith to the hot button concerns of today such as animal rights our duties to the environment and gender issues featuring an illuminating preamble concise introductory essays on the giants of ethical theory and incisive chapter headnotes to the modern offerings this modern library edition is a perfect single volume reference for students teachers and anyone eager to engage in reflection on ethical questions including what is the basis for our ethical views and judgments gordon marino is professor of philosophy and director of the hong kierkegaard library at st olaf college in northfield minnesota a recipient of the richard j davis ethics award for excellence in writing on ethics and the law he is the author of kierkegaard in the present age co editor of the cambridge companion to kierkegaard and editor of the modern library's basic writings of existentialism his essays have appeared in the new york times

the introduction gives the background of modern american drama which is a kind of slow evolution and has taken place in the form of an amalgamation of various schools it presents the gradual growth of the american dramatic literature right from eugene o neill up to edward albee this chapter includes the dramatists like eugene o neill maxwell anderson robert sherwood lillian hellman clifford odets philip barry tennessee williams arthur miller and edward albee in order to have an understanding of the overall development of the american dramatic literature in february 1915 an enthusiastic group of young amateurs calling themselves the washington square players waved a solemn

manifesto in the face of new york drama critics they opened the band box theatre near the corner of 57th street and third avenue just a year and a half later another group equally young and enthusiastic took possession of a stable in macdougal street to be known thereafter as the province town theatre the dramatists of the washington square players were more influenced by ibsen shaw and maeterlinck whereas that of the province town group happened to accept eugene o neill as their torch bearer
