truth courage patriotism emotions and the nation come together in this simmering narrative nathuram godse assassinated mahatma gandhi as he walked towards the prayer grounds at the birla house in new delhi godse had attempted the attack twice earlier but failed after the third attempt which led to gandhi s death he was arrested at the crime scene and sentenced to death after a year long trial thus began a crucial debate over the assassination with people mourning gandhi s death on the one hand and standing with godse on the other the long trial unraveled the pain of the partition and the poverty of the people who were struggling to start life afresh laying bare the thoughts of the common people and those in power alike why i killed gandhi is godse s confession on why he took the drastic step and the events leading up to it

godse approached gandhi on january 30 1948 during the evening prayer at 5 15pm when godse bowed one of the girls flanking and supporting gandhi said to godse brother bapu is already late and tried to put him off but he pushed her aside and shot gandhi in the chest three times at point blank range with a semi automatic pistol gandhi was taken to birla house where he later died this is the autobiography of gandhi s killer excerpt from wikipedia

the men who killed gandhi by manohar malgonkar takes readers back into the pages of indian history during the time of the partition featuring the murder plot and assassination of mahatma gandhi the men who killed gandhi is a spellbinding non fictional recreation of the events which led to india s partition the eventual assassination of gandhi and the prosecution of those who were involved in gandhi s murder this historical reenactment is set against the tumultuous backdrop of the british raj malgonkar s book is a result of painstaking research and from also having privileged access to many important documents and photographs related to the assassination there is no doubt that mahatma gandhi played a leading role in obtaining independence from the british but the problems that ensued afterwards such as the structural rebuilding of the country and the partition led to many riots massive migrations and deep racial and cultural divides not everyone agreed with gandhi and his ideals as a result a plot to assassinate gandhi was devised by six individuals named narayan apte gopal godse madanlal

pahwa digambar badge and nathuram godse this was eventually carried out in new delhi on the 30th of january 1948 eventually these six individuals were tried and convicted four of them received life sentences while two of them received the death penalty the first publication of the men who killed gandhi occurred in 1978 during the emergency years as a result malgonkar omitted many vital facts including dr ambedkar s role in minimizing savarkar s criminal conviction this 11th edition of the text contains these omitted facts as well as rare documents and photographs obtained from national archives after the four individuals who were convicted for gandhi s murder completed their life sentences they were interviewed by malgonkar these individuals revealed many details to him which were never known before the author also received access to the kapur commission from his friend mr nayar who was in the indian police service as a result the men who killed gandhi is considered the most historically accurate account of gandhi s assassination plot

it is common knowledge that mahatma gandhi was shot dead in 1948 by a hindu militant shortly after india had both gained her independence and lost nearly a quarter of her territory to the new state of pakistan lesser known is assassin nathuram godse s motive until now no publication has dealt with this question except for the naked text of godse s own defence speech during his trial it didn t save him from the hangman but still contains substantive arguments against the facile glorification of the mahatma dr koenraad elst compares godse s case against gandhi with criticisms voiced in wider circles and with historical data known at the time or brought to light since while the mahatma was extolled by the hindu masses political leaders of divergent persuasions who had had dealings with him were less enthusiastic their sobering views would have become the received wisdom about the mahatma if he hadn t been martyred yet the author also presents some new considerations in gandhi s defence from unexpected quarters

as the frequent description of nathuram godse as a hindu extremist people who are less careful with logic assume that his analysis of gandhi s politics must also be an extremist view shared only by other extremists and perhaps a few more harmless eccentrics on many points however godse merely articulated the majority view among freedom fighters among hindus at large and even among mankind in general his insistence on the need for military capability to deter or repel aggressors is shared by political leaders in every country his criticism of gandhi s autocratic and whimsical leadership was voiced by many inside the congress movement his skepticism of the mahatma s mixing of spirituality and politics was shared by many hindus

rooted in their tradition including active practitioners of either politics or the spiritual path his scathing verdict of gandhiji as the father of pakistan was certainly a minority view but one shared till today by numerous hindus and sikhs who had trusted the mahatma s assurances partition over my dead body yet found themselves forced to flee from their homes in what had become pakistan yet none of the millions of people who agreed with godse on some or on all points of his critique deduced from their sobre and demythologized analysis that murder was the solution there is no necessary relation between criticism and murder it is an old rhetorical trick of despots to associate criticism of their regime with disorder and crime given the despotic nature of the secularism imposed on india by a self alienated elite group no one will be surprised to notice that criticism of gandhi s policy of muslim appeasement is routinely criminalized by vocal secularists typically with reference to godse s crime what remains of nathuram godse is the statement he gave in his own defence during the trial on 8 november 1948 after the statement was read in court its publication was prohibited however after the release of godse s accomplices from prison in the 1960s translations in indian languages started appearing and in 1977 nathuram s brother gopal published the english original under the cautious title may it please your honour a new edition with a long epilogue by gopal on the background and the events in prison was published in 1993 under the more revealing title why i assassinated mahatma gandhi the hindu mahasabha has merely published the speech itself and some eye witnesses have laid down in writing their memories of the atmosphere in court when godse spoke justice gopal das khosla one of godse s judges and whose sympathies were certainly not with hindu communalism has left us this impression the audience was visibly and audibly moved there was a deep silence when he ceased speaking many women were in tears and men were coughing and searching for their handkerchiefs i have however no doubt that had the audience on that day been constituted into a jury and entrusted with the task of deciding godse s appeal they would have brought in a verdict of not guilty by an overwhelming majority

description three bullets were shot into the chest of mahatma gandhi by a certain nathuram godse on the evening of 30 january 1948 his true motivations however are today actively obscured and his admirers sit in the indian parliament as members of the ruling establishment this book is a timely effort to remind us that gandhi s killing was not a random act of a mindless killer it was the culmination of a cold blooded conspiracy the men who stood trial for the murder of gandhi claimed that they were acting for a stronger more united india their 78

year old peace loving target they felt was the single biggest impediment to achieving that goal they accused him of dishonesty and treachery he was blamed for the partition of india for appeasing muslims and condemned for fail ing in his duty to the people of this nation to them gandhi had to die because there was no legal machinery by which such an offender could be brought to book do any of the accusations have any claim to truth whatsoever if not what then was the actual intention that these arguments made by godse were attempting to hide and was v d savarkar among others involved in the conspiracy ashok kumar pandey s why they killed gandhi translated from the celebrated hindi original lays bare the facts of the murder and offers a passionate defence of the mahatma and his politics while simultaneously delivering a trenchant polemic against the ideology of bigotry and perpetual violence that killed him

this book mahatma s blunders is a critical analysis of a number of misconceived policies from 1920 to 1947 which ended up vivisectioning the nation and ruining the lives of 20 million people by meticulously studying nathuram godse s statement presented in the trial court at the red fort new delhi on 8th november 1948 and comparing it with facts gleaned from history and books on indian freedom struggle it is a sincere effort to derive the logic behind godse s criticism of gandhiji s political strategies and try to answer a more fundamental question why did nathuram godse kill mahatma gandhi this book mahatma s blunders covers the entire life span of gandhiji s political career from his early days in south africa to his contribution to india s freedom struggle right up to his last days the motive behind writing this book is not to demean the mahatma nor glorify his assassin but uncover this myth that gandhiji was a victim of religious fanaticism

godse approached gandhi on january 30 1948 at the time of the evening prayer at 5 15 pm when godse bowed one of the girls flanking and advocating for gandhi said to godse brother bapu is already late and endeavoured to put him off but he drove her aside and shot gandhi in the chest three times at point blank range with a semi automatic pistol gandhi was taken to birla house where he later parted this is the autobiography of gandhi s killer the untold account of the other side of gandhiji is apprehended in this book the crisp and clear narrative of what exactly transpired naturam godse to take this step this book incorporates the original statement given by nathuram godse the final address of nathuram godse

hey ram these are the last eternal words from the dying mahatma gandhiji at 17 17 hrs on friday the 30th january 1948 in the birla house delhi akhand bharat amar rahe these are the dying cries from nathuram vinayak godse and narayan d apte from the gallows of ambala gaol on at 8 00 hrs on tuesday the 15th november 1949 in mahatma gandhi assassination case 9 persons were arrested and put on trial at the red fort trial new delhi later the appellate case was tried by the full bench of high court of judicature for the province of east punjab at simpla under criminal appeal no 66 of 1949 nathuram vinayak godse and narayan d apte were hanged v r karkare madhanlal pawa and gopal vinjayak godse underwent life imprisonment for a term of 14 years dr parchure and shankar kistayya were acquitted in appeal v d savarkar was honourably acquitted by the trial court itself and digambar ramachandra badge was tendered general pardon for being an honest approver remaining three accused ie gangadhar dandwati gangadhar jadhav and suryadevo sharma all from gwalior remained as absconders till date this is the book of judgment delivered by the punjab high court on 21st june 1949 this is an authentic source of information on the sad event of murder of mahatma gandhiji for those who want to go back into the saddest part of our past

dhirendra jha s deeply researched history places nathuram godse s life as the juncture of the dangerous fault lines in contemporary india the quest for independence and the rise of hindu nationalism on a wintry delhi evening on 30 january 1948 nathuram godse shot gandhi at point blank range forever silencing the man who had delivered independence to his nation godse s journey to this moment of international notoriety from small towns in western india is by turns both riveting and wrenching drawing from previously unpublished archival material jha challenges the standard account of gandhi s assassination and offers a stunning view on the making of independent india born to brahmin parents godse started off as a child mystic however success eluded him the caste system placed him at the top of society but the turbulent times meant that he soon became a disaffected youth desperately seeking a position in the infant nation in such confusing times godse was one of hundreds and later thousands of young indian men to be steered into the sheltering fold of early hindutva indian nationalism his association with early formations of the rss and far right thinkers such as sarvakar proves that he was not working alone today he is considered to be a patriotic hero by many for his act of bravery despite being found guilty in court and executed in 1949

this book deals with the assassin nathuram godse and his motive for killing gandhi by comparing godse s case against gandhi with criticism and historical data
