pakistan at seventy five investigates the countrys multi layered issues in the context of a post colonial polity marked by diversity heterogeneity stratification and volatility this wide ranging discourse engages with diverse formal and informal actors as markers of identity historical events and social conditions as well as global geo political and neo colonial centreperiphery relations that shape narratives about the nation and the constructions of a sense of belonging the editors and contributors utilise multi faceted and multi layered approaches focusing on 1 identities and questions of diversity and pluralism 2 horizontal and vertical technologies and geographies of power related to questions of trust legitimacy participation and governance and 3 the distribution deprivation and vulnerability of sociocultural political and human resources studying pakistan has been subject to different approaches including decolonial indigenous and feminist perspectives this volume draws out alternative epistemological and methodological viewpoints the insideroutsider conundrum centreperiphery asymmetries hegemonic discourses and practices within pakistans national international academy the chapter contributions are the outcome of a unique interdisciplinary research cooperation at quaid i azam university focussing on early career researchers presenting a multiplicity of voices and trajectories pakistan at seventy five provides new input to existing debates and directions for future scholarly endeavour contributors aftab nasir andrea fleschenberg arslan waheed salman rafi sheikh sanaa alimia sarah holz sohaib bodla wajeeha tahir

this book investigates whether a power shift has taken place in the asia pacific region since the end of the cold war by systematically examining the development of power dynamics in asia pacific it challenges the notion that a wealthier and militarily more powerful china is automatically turning the regional tides in its favour with a special emphasis on sino us competition the book explores the alleged linkage between the regional distribution of relevant material and immaterial capabilities national power and the much cited regional power shift the book presents a novel concept for measuring power in international relations by outlining a composite index on aggregated power ciap that includes 55 variables for 44 regional countries and covers a period of twenty years moreover it develops a middle power theory that outlines the significance of middle powers in times of major power shifts by addressing political military and economic cooperation via a structured focused comparison and by applying a comparative historical analysis the book analyses in depth the bilateral relations

of six regional middle powers to washington and beijing

an introduction to pakistan s isi which has been both an essential ally and problematic partner of the united states forged during the tumultuous aftermath of partition in 1947 the inter services intelligence directorate isi has grown to become the preeminent intelligence service in pakistan its capabilities are comprehensive its remit covers both foreign and domestic intelligence and it is one of the most feared and respected agencies of the global south pakistan s isi provides an up to date and detailed introduction to the isi and its historical evolution the narrative is rooted in a deep and wide ranging contextualization of the state of pakistan and its security environment the story is one of an agency that grew from humble beginnings into an extremely capable and robust force at the heart of power in the state the isi utilizes broad human intelligence networks and employs covert action and support for militants particularly in its rivalry with india as a crucial intelligence partner for the west during the cold war and into the contemporary era the isi has been both an essential ally and problematic partner the shadow of this agency continues to loom over pakistan s democratic institutions this book will appeal to students scholars and general readers interested in intelligence and the politics and history of south asia

diploma thesis from the year 2024 in the subject politics topic international relations grade a jamia hamdard university school of history and civilization shaanxi normal university xi an shaanxi china course international relations language english abstract we live in an era of globalization where the question of security has emerged in a new form and character in this dissertation an attempt has been made to assess the current external as well as internal security threats to pakistan and to investigate feasible remedial measures to enhance the national structure on domestic fronts as evident from the title this dissertation revolves around the internal and external security threats to pakistan in the light of globalization various external and internal security threats to pakistan weaknesses of our national response and viable countermeasures are proposed in this dissertation this topic is one of pakistan s most critical burning issues and is well recognized nationally and internationally as it evaluates the characteristics of the social order in pakistan from several perspectives to find out the causes of domestic unrest and stresses the primary factors contributing in the peace of our society the importance of this research study further increases as the articles and study papers available on this topic are still in want of more input to chalk out viable solutions of the problems counter actions in this dissertation an active attempt has been made to assess the flaws of the security structure of pakistan in order to propose practical countermeasures in order to achieve progress and prosperity all pakistan need is sincerity cooperation and unity the origin of the domestic security challenges of a country can be traced from the internal and external quarters india and afghanistan the two immediate neighbors pose a

conventional or external threat to the stability of pakistan furthermore global powers like united states and russia also threaten the stability of pakistan due to their changing interests in the global order setting on the other hand internal threats to pakistan are due to the domestic political ethnic sectarian extremism and jihadi culture prevalent in the country it is often carried out by external activities according to the official nationalism of pakistan the country was created on the basis of the two nation theory which clearly states that the indian muslims are a separate and distinct community for the hindu nation

the most common image of world politics involves states negotiating cooperating or sometimes fighting with one another billiard balls in motion on a global pool table yet working through local proxies or agents through what eli berman and david a lake call a strategy of indirect control has always been a central tool of foreign policy understanding how countries motivate local allies to act in sometimes costly ways and when and how that strategy succeeds is essential to effective foreign policy in today s world in this splendid collection berman and lake apply a variant of principal agent theory in which the alignment of interests or objectives between a powerful state and a local proxy is central through analysis of nine detailed cases proxy wars finds that when principals use rewards and punishments tailored to the agent s domestic politics proxies typically comply with their wishes when the threat to the principal or the costs to the agent increase the principal responds with higher powered incentives and the proxy responds with greater effort if interests diverge too much the principal must either take direct action or admit that indirect control is unworkable covering events from denmark under the nazis to the korean war to contemporary afghanistan and much in between the chapters in proxy wars engage many disciplines and will suit classes taught in political science economics international relations security studies and much more

globalisation continues to challenge our world at unprecedented speed technological innovations changing geographical developments regional rivalries and destruction of national critical infrastructures in several muslim states due to the us so called war on terrorism all transformed the structures and hierarchies of societies the idea of development of a nation that sounds on tripods that are food shelter and security failed the edward Snowden leaks challenged policy makers and the public understanding and perspectives on the role of security intelligence in liberal democratic states the persisting imbalance of power in the united states its institutional turmoil and intelligence war and the noticeably tilting power have made the country feel vulnerable and prodded it into military ventures the calibration of western allies around whitehouse as the sole centre of globalization has only brought instability destruction and loss of human lives

this report derives from a seminar entitled pakistan looking towards 2025 drivers

of democratic consolidation and stability organised by the euiss in cooperation with the national intelligence council of the us government that took place in paris on 20 21 may 2012 it features contributions submitted by a range of pakistani american and european experts who attended the seminar these contributions present diverse viewpoints on pakistan and generated a lively and contentious debate at the paris seminar

experts analyze seven key security challenges

this volume collects papers originating from a pakistan french seminar organized in paris topics covered include the historiography of partition the ongoing sectarian and ethnic strife in pakistan the constricted role of political parties and pakistan s policies on afghanistan which can be judged against the post 11 september scenario
