excerpt from how to audit 1919 a manual of instruction these instructions on how to perform an audit were originally written as a guide for the staff members of a well known new york firm of auditors and public accountants they are based on the form for financial examinations recommended by the federal reserve bank and on the methods of auditing found desirable by this firm in its many years of experience the book takes for granted a knowledge of accounting and hence as its name implies attempts only to give specific instructions to the accountant who has to verify the books of a concern and prepare its statement of condition and statement of operations the subject falls into four natural sections which the book follows first is a section covering general rules of conduct for the auditor to follow both to safeguard his client s interests and to establish the client s confidence in the auditor s ability the second section is devoted to instructions covering the conduct of an audit in any manufacturing or merchandising concern section 3 details specific points to be looked for in auditing the books of a business having unusual conditions peculiar to that business which the general instructions in section 2 do not cover in section 4 are suggested paragraphs for use in writing the comments of a report the mere presentation of a financial statement is seldom enough the auditor who is of most service to his client must make comments upon the statement and the examination which will not only indicate the scope of the investigation but will point out changes in accounting or even in the management of the business which the examination shows to be desirable the paragraphs shown cover the points which most often require comment in a report they have been carefully edited to make sure that they say accurately and clearly what needs to be said and that they are free from the jargon which the unskilled writer in any profession is likely to fall into as they stand they are in use by the staff auditors of a firm of the highest standing full instructions for using them are given about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks.com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in

our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
