students of the old testament have long recognized that in the two histories of the hebrew monarchies samuel kings and chronicles a literary relationship exists which is akin to that of the synoptic gospels of the new testament that is more than one extended narrative have come down to us from antiquity each of which exhibits distinctive characteristics while at the same time demonstrating a more than casual relationship with the other s unlike their colleagues in synoptic gospel studies however students of samuel kings and chronicles have not had easy access to english language harmonies in which the principal texts are laid side by side in such a manner that comparison is facilitated not just of large blocks of text but of individual words and phrases as well the text is that of the revised standard version samuel kings in the left column chronicles in the right except where noted at all times however the standard of reference has remained the masoretic text and occasionally i have ventured to introduce minor adjustments to the rsv text in order more accurately to demonstrate the relationship between the received hebrew text of our sources from the foreword

a harmony of the gospels of matthew mark and luke

greek language version of a harmony of the synoptic gospels for historical and critical study meant to exhibit the facts respecting the parallelism of the gospels as they stand pg vi

a classic manual that has gone through more than twenty printings this book is the first harmony of the gospels to use the revised standard version of the bible this simple and nontechnical book presents the gospel materials in parallel columns in order that the bible reader can compare the varied texts it does not restrict itself simply to the synoptic gospels but includes the fourth gospel as well thus enabling an overview of the major new testament descriptions of the life and ministry of jesus dr heim presents the story mainly in terms of the action involved while at the same time disclosing the substance of the teaching passages as adequately as possible he exposes the major parallels in several accounts without tearing texts from their contexts and without constantly breaking up passages and transposing verses he deliberately focuses on the large movements of thought and action avoiding minutiae of all kinds although footnotes and cross references are held to a minimum an index is provided for easy location of individual passages
