*this title was first published in 2002 drawing on primary research on the brahma kumaris world spiritual university a millenarian new religious movement of indian origin this book examines the status of tradition in the contemporary world through a critical engagement with the recent social theory of anthony giddens on the emergence of a post traditional society wallis examines both the ways in which forms of tradition not only persist but also flourish in the contemporary world and also the manner in which such traditions are drawn on and re created by individuals in their ongoing construction of self identity illuminating some of the difficulties encountered when social theory is applied to the real world this book also offers a way of theorising about the status of contemporary religiosity that does not refer directly to the notion of secularisation*

*in this book the brahma kumaris seven days course is taught through the first few chapters then in the subsequent chapters of this book there are 1 murli extracts and explanations based on the knowledge in the murlis 2 meditation guidelines 3 brief accounts of history and other information so that the readers will have a better understanding on the bk knowledge etc when a student is introduced to the knowledge which is taught during the brahma kumaris seven days course the student becomes a brahmin if the student accepts the knowledge for spiritual effort making the benefits of being a brahmin are explained in this book all bks members of the brahma kumaris are brahmins because they make spiritual efforts based on the bk knowledge so as to stay in yoga with god you can also become a brahmin through accepting and using the knowledge which is in this book for spiritual effort making*

*the brahma kumaris are a new spiritual tradition the movement currently has over 450 000 worldwide adherents in more than 100 countries as with all spiritual traditions the brahma kumaris are different bewildering and fascinating in their newness and in their complexity in 1936 in hyderabad india a millionaire diamond merchant named lekhray khubchand began to have visions at around the age of 60 the visions led him to hold meetings in his own home which were attended mainly by women this was the beginning of the brahma kumaris dada lekhray as he became affectionately known used his fortune to set up a trust composed of 11 women one of the young women who became known as om radhe became the leader of the new movement while dada lekhray remained a key figure following the partition the brahma kumaris moved to mount abu in rajasthan india and this remains their headquarters through phenomenology this book examines the brahma kumari tradition phenomenology involves firstly putting one's own world view aside in order to understand the world view of others*

*applying epoche to avoid bias and empathy to engage sympathetically the objective of this study is to understand the brahma kumaris as far as is possible from within the book along with others in the understanding faith series by dunedin academic press is intended for students of comparative religion and is a basic source of essential information about the major world faiths in the 21st century for those who seek to understand this aspect of influence on our lives today series understanding faith*

*focusing on places objects bodies narratives and ritual spaces where religion may be found or inscribed the authors reveal the role of religion in contesting rights to places to knowledge and to property as well as access to resources through analyses of specific historical processes in terms of responses to socio economic and political change the chapters consider implicitly or explicitly the problematic relation between science including social sciences and anthropology in particular and religion and how this connects to the new religious globalisation of the twenty first century their ethnographies highlight the embodiment of religion and its location in landscapes built spaces and religious sites which may be contested physically or ideologically or encased in memory and often in silence taken together they show the importance of religion as a resource to the believers a source of solace spiritual comfort and self willed submission*

*in these enlightening and eye opening conversations the renowned spiritual mentor sister bk shivani reveals how to create a life of joy contentment and bliss because we all have the choice and the power to do so according to her the reason why there is so little happiness in the world is dependency happiness is not dependent on anything or anyone or found anywhere we keep delaying our happiness until things are just right in our life we think we will be happy in the future and then wonder why we are not happy now happiness is only possible when we are able to accept everyone as they are at every moment in every situation this book is a medium for the awakening and acceptance of self responsibility helping us choose our thoughts and feelings aligned with our true nature of purity peace and love to make us shift from asking to sharing from holding on to letting go from expectations to acceptance from the past and the future to being in the now happiness is a decision not a consequence*
