this updated and expanded edition provides comprehensive coverage of the theory and practice of counselling survivors of child sexual abuse csa in a reasoned and thoughtful approach this book honestly addresses the complex issues in this important area of work providing practical strategies valuable and new insights for counsellors

sex is such an intimate topic historically wrapped in shame and when someone shares they were sexually abused we may not know how to respond with recent metoo and churchtoo movements we are learning just how many men women boys and girls have suffered sexual abuse at the hands of a trusted person often family members or leaders in the church sexual abuse is rampant in modern society and now sometimes many years later sexual abuse survivors are sharing their stories anne marie miller is a survivor of childhood clergy

sexual abuse and has shared her journey toward healing with audiences all over the world after speaking with thousands of survivors and their loved ones she saw the need for a fundamental and practical guide for helping supporters of sexual abuse survivors understand the basics of abuse trauma healing and hope drawing from her own experience as a survivor and evidence based research anne addresses these questions and more in healing together what is sexual abuse how can i help survivors who are predators and how do they groom victims how does trauma affect survivors what happens when someone doesn t remember the details of their abuse how does abuse wound the physical emotional and spiritual health of people who have been abused when and how should authorities be contacted how do you talk to your children about sexual abuse what are the warning signs of abuse is healing possible whether you are a spouse a family member a friend or a church leader looking for easy to navigate resources to understand and support sexual abuse survivors you ll find answers and hope in these pages

based on a 12 year study with 60 survivors of child sexual abuse catherine cameron sets out to understand their early trauma and its impact over subsequent years and to monitor their progress toward recovery the difficult but rewarding process of their recovery unfolded over time along with increasing societal awareness of the problem in 1998 a final survey provided the epilogue for their story cameron grounds their personal stories by citing parallels to the larger field of national and international trauma the result is a compelling and deeply human story of trauma and triumph

ajn book of the year based on the biological psychological sociological aspects of mental illness this comprehensive textbook maintains its grounded focus in current research and continues to reflect current practice the third edition includes a new nclex tips box more patient teaching points highlighted nursing interventions and more health promotion the free cd rom features a new clinical simulation and other student learning activities the ancillary package includes an instructor s resource cd rom with a test generator powerpoint slides and instructor s manual

trauma can result in a variety of symptoms and problems such as behavioral disorders emotional dysregulation sleep disturbances recurring nightmares intrusive thoughts and learning and academic challenges children and adolescents who have posttraumatic stress disorder are usually presented to therapists in one of four clinical situations 1 the traumatized child and parents request trauma focused therapy 2 the child with trauma history refuses treatment 3 a parent is impaired by their own trauma history but does not want to receive treatment 4 a child has experienced trauma but the parent wants to focus on a behavioral issue and symptoms rather than the trauma family therapy for treating trauma offers a stand alone family therapy approach for trauma survivors and provides a cross culturally competent family treatment framework for working with trauma it outlines both how to assess family patterns that reinforce or exacerbate effects of trauma and how to mobilize the healing power of family relationships to moderate or resolve effects of trauma via an integrative approach the book offers flexible ways to adapt to client choices so as to enhance difficult to engage clients and families it serves as a resource for professional audiences and can be offered as a text for courses on both family therapy and trauma treatment

you can never have too much support as a survivor amy s little pocket book is great to carry around to remind yourself that you can all thrive after sexual abuse dr patti feuereisen psychologist and author

using her expertise as a therapist and educator along with actual stories of survivors the author examines the feelings and fears common to survivors the effects of abuse on their adult relationships and the therapies that can help them learn to trust again

maybe the only thing new about sexual abuse is quality discussion from several professions psychology theology and pastoral care here are the insights of over two dozen psychologists theologians and those in pastoral care all targeting the issue of sexual abuse designed as a resource for christian educators therapists pastors social workers group leaders and survivors the long journey home combines current research in mental health with rich theological reflection global concern with fervent pastoral wisdom for the local faith community whether you are a counselor professor pastor or spouse of a survivor you hold in your hand a fresh resource of information and advocacy for those suffering from the devastating effects of sexual abuse and rape the breadth of material biblical insight discussion questions and helpful resources gathered here just may be the tool of a generation

this book considers the aftermath of childhood sexual abuse within the conceptual framework of cognitive analytic therapy and presents a model for treatment

healing answers from a survivor includes pages of practical information and strategies to make your journey from victim to survivor a possibility i have included every aspect of surviving abuse that i have personally encountered consequently it is a very detailed and comprehensive book spanning most areas there are countless situations that arise from having been abused and i have included the answers that i used to help me to recover regardless of our stories the emotions that we experience are all the same indeed conditional and unconditional love sorrow fear anxiety hate and anger all feature strongly with abuse our body issues emotional problems and issues with power and control are discussed remembering the abuse and facing the heartbreaking truth are all part of the healing process ultimately to heal we need to acknowledge and release the accompanying emotions break our previously learned patterns of behavior and focus positively on our recovery both now and into the future most importantly we need to become survivors not victims martyrs rescuers or abusers i believe that true recovery comes when we heal and become survivors by standing in our truth and taking full responsibility for our lives it is possible to heal take back your personal power and become a survivor like i did with love wendy x

if you're looking for new and innovative ways of working with survivors of child and adolescent sexual abuse or child juvenile perpetrators of sexual abuse then look no further mic hunter and a talented team of professionals begin by offering concise practical discussions on topics related to survivors including managing self regulation disorders in sexually abused boys treating ritual abuse survivors and inpatient treatment of adolescent survivors of sexual abuse next the contributors focus on treating the child juvenile offender examining such issues as treating abuse reactive children parallel treatment for parents of abuse reactive children societal responses to sexually aggressive children and identifying and responding to juvenile sexual abuse offenders for each issue examined contributors offer concrete directions for intervention written both for practitioners and advanced clinical students this accessibly written volume will serve as a valuable resource this book is like going to a conference and getting all the best presentations models a nice concrete technique for use with a problem population sandra k hewitt ph d private practice edina minnesota this excellent short paperback contains well written well referenced chapters by leading figures in the field of child abuse and neglect covering an ambitious range of topics involving child survivors as well as children who sexually abuse other children this small book is a timely and important addition to the sexual abuse literature and will be of particular interest to those professionals working with children and young people who show sexually coercive or abusing behaviour towards other children eileen vizard in young minds newsletter the book is subtitled treatment innovations and this sets the tone for its whole approach this is a readable and practical book written for clinicians and is obviously based on much solid clinical experience the chapter on ritual abuse is particularly good being both readable and thought provoking it is a very thorough examination of the difficulties which can arise in working with severely abused people and tackles very realistically the potential risks for both client and therapist when working with very damaged individuals the thorny issues surrounding the validity of recovered memories are also tackled extremely well overall the book is an excellent review of current understanding and treatment of sexually abused children and adolescents however clinicians working with adult survivors of abuse will

also find much that is useful in the book carol sellars in clinical psychology forum

such dual roles enacted in treatment include the unseeing uninvolved parent and the unseen neglected child the sadistic abuser and the helpless enraged victim the idealized rescuer and the entitled child and the seducer and the seduced

in the world of recovery there has been a shift from using the word victim to survivor when describing those who have been abused this new label conveys strength to empower and to embolden you as you begin the journey of recovery while moving from victim to survivor is an important step in the healing process it does not go far enough in framing an identity that leads to letting go of the pain of abuse and finally feeling normal in beyond surviving author rachel grant a sexual abuse recovery coach provides an understanding of the three stages of recovery victim survivor and beyond surviving and offers survivors guidance and tools for reaching the third stage of recovery based on cognitive behavioral techniques neurological science the power of language to heal and grant s personal journey beyond surviving teaches you how to actively challenge and break the patterns of thought and behavior that result from sexual abuse it explores how different areas of life are impacted by abuse and communicates valuable skills for gaining a new perspective that inspires action and change it provides an opportunity to reflect and practice these new skills through exercises and assignments beyond surviving enables survivors of sexual abuse to take back their rights and realize their own ability to make powerful choices about who they are and how they live this guidebook offers an opportunity to reach the final stage of recovery and begin living authentically and free from the burdens of past experiences
